Medical Conditions

- a. Unless Respondent has been terminated from the Lawyer Assistance Program (“LAP”) prior to respondent’s successful completion of the LAP, respondent must comply with all provisions and conditions of respondent’s Participation Agreement with the LAP and must provide an appropriate waiver authorizing the LAP to provide the Office of Probation and this court with information regarding the terms and conditions of respondent’s participation in the LAP and respondent’s compliance or non-compliance with LAP requirements. Revocation of the written waiver for release of LAP information is a violation of this condition. However, if respondent has successfully completed the LAP, respondent need not comply with this condition.

- b. Respondent must obtain psychiatric or psychological help/treatment from a duly licensed psychiatrist, psychologist, or clinical social worker at respondent’s own expense a minimum of _____ times per month and must furnish evidence to the Office of Probation that respondent is so complying with each quarterly report. Help/treatment should commence immediately, and in any event, no later than thirty (30) days after the effective date of the discipline in this matter. Treatment must continue for _____ days *or* _____ months *or* _____ years *or*, the period of probation or until a motion to modify this condition is granted and that ruling becomes final.

If the treating psychiatrist, psychologist, or clinical social worker determines that there has been a substantial change in respondent’s condition, respondent or Office of the Chief Trial Counsel may file a motion for modification of this condition with the Hearing Department of the State Bar Court, pursuant to rule 5.300 of the Rules of Procedure of the State Bar. The motion must be supported by a written statement from the psychiatrist, psychologist, or clinical social worker, by affidavit or under penalty of perjury, in support of the proposed modification.

- c. Upon the request of the Office of Probation, respondent must provide the Office of Probation with medical waivers and access to all of respondent’s medical records. Revocation of any medical waiver is a violation of this condition. Any medical records obtained by the Office of Probation are confidential and no information concerning them or their contents will be given to anyone except members of the Office of Probation, Office of the Chief Trial Counsel, and the State Bar Court, who are directly involved with maintaining, enforcing or adjudicating this condition.
