Search for a Case

Use [Search for a Case](#) to find dockets and records for a specific case or cases for a specific attorney, respondent, petitioner, or applicant.

- For public cases filed on or after Feb. 1, 2019, documents are available online.
- For cases filed between 2000 and Jan. 31, 2019, only some documents are available online. To request certified copies of discipline documents, please complete the [Request for Certified Records of Attorney Discipline form](#).
- For additional information, please go to [Public Records & Information](#).

When entering a name, the format must be **last name, first name**. Both entries are required for a complete search. The name must be spelled correctly.

Tip: If you are uncertain that you have the attorney's correct name, you can use the [Attorney Search](#) feature on the State Bar website.

If you know the case number (**record number**), you can enter it in the same field for the name.

Tip: For cases filed on or after Feb. 7, 2019, insert **SBC** before the case number. Case numbers for an attorney’s public discipline can be found on their attorney profile in the [Attorney Search](#) feature on the State Bar website.

If you have a number for a recent case without **SBC** at the beginning, you must add it for a successful search.

Hyphens are not required. For example, SBC-22-O-30161 and SBC-22O30161 are both valid case numbers for a successful search.
