NOTICE REGARDING STATE BAR COURT EMAIL SERVICE OUTAGE ON JANUARY 22, 2026

On Thursday, January 22, Microsoft experienced a service outage affecting many of its services. As a result, the State Bar Court was not able to receive some emails from external senders on January 22.

Service has been restored, and the court expects that all emails sent on January 22 will be delivered, although there may be significant delays. The court encourages parties to re-send any emails sent on January 22 if they have not received confirmation that the email was received. Email submissions sent on January 22 and received on a later date will be deemed submitted as of the date the email was sent. Email submissions sent on January 22 and re-sent no later than 5:00 p.m. on Monday, January 26 will be deemed submitted on January 22.
